ANGELIKA
31252

HE'S WHACK FOR BLACK!

Dear PURELY 18,

I'm going to be honest here for a minute and I know what I'm about to say is politically incorrect and in some circles downright controversial: I never particularly cared for black girls.

Went to school with a few of them, I suppose they were nice enough, I don't know, don't remember talkin' to 'em much. Back then it wasn't the kind of thing you did. It wasn't until I got your last issue where I realized how much times had changed. Now black girls somehow seem different, to me at least. What I mean is, they seem more the same. I never expected to pick up a pussy magazine and come away liking black girls. And then I saw Angelika Black.

Angelika doesn't look like any black girl I ever seen, or maybe I just didn't know what I was seeing and liked 'em all along. I know this, it wasn't until I saw her that I got my first hard-on while knowingly looking at a black girl. You know, it wasn't going away. I kept turning the pages and my cock kept getting harder, and I'm going to be honest once again, at my age that don't happen every day. When it does, I thank the Lord and take care of the business at *hand*, and business was at hand. I think you know what I mean. Angelika has changed me in more ways than one. She's not only increased my virility, she's made me look at a large segment of the population in a totally different way. Maybe that's the change Obama was talking about. And here I thought he was a complete failure as a president.

Old Karp
Dover, TN

Dear Old Karp,

We think you might have confused Angelika's last name with racial features, but it seems like the confusion has done you a bit of good and opened up a new world to you, so enjoy Angelika (who's not black!) and dig those black girls!

THE CUTENESS OF CASSIE

Dear PURELY 18,

Once in a while you can just look at a girl's photo and practically smell the freshness, and one whiff of the pages with Cassie and I about passed out. Sure, it was probably the fresh ink, but hot damn, that smiling, snatch-tastic teeniebopper is about the cutest thing I've seen since a herd of puppies cut me off while I was riding my bike through the park about six years ago now. Aw, that was the cutest thing I ever saw.

But Cassie, she holds a whole different kind of cuteness, not to mention that gorgeous snatch of her knows how to hang on to a vibrator and I think the only thing that could make her coochie look cuter is my mouth sucking on her clit as she bounces up and down on that little piece of magic technology, cumming on my face.

Assuming that's not about to happen, I'm going to get a whole helluva lot of enjoyment out of those photos. It's nice to see a teenager who is so happy and comfortable with herself. It helps the rest of us feel comfortable, too, and I have found that I can cum easier looking at her pictures than at any pictures of any girl I've ever seen.

TJ
Big Sur, CA

Dear TJ,

Cassie does come off the page just the way she is in real life—self-assured and enthusiastic and the owner of such a glowing sexuality that it's impossible not to feel like you're falling in love. Everyone walks from her with a special glow.

WRISTIN' FOR TRISTAN

Dear PURELY 18,

I've heard of girls doing the sit-and-spin and I'm pretty sure Tristan was about to do just that the way she was crouched over that vibrator next to the pool. A natural-born sit-and-spin she is, and with that sweet face and those tiny titties, it's a wonder that she isn't cock-stuffed at all times because there just has to be about 50 guys out of camera-shot, probably with their pants around their ankles hoping for just a stroke or two (well, more if they can get it!) inside that wet little hole. I'd give a nut for one full stroke in that hole, but she isn't going to have an easy time getting me out!

TRISTAN
31249

Harvey
Seaboard, RI

Dear Harvey,

We managed to keep a closed shoot with Tristan, but you can see that it was outdoors and even she was pretty sure that there were guys off with binoculars in one hand and their cocks in the other watching things go down. Don't think she didn't like the thought of it, though.

NICOLE
31254

ALL QUIET ON THE WESTERN CUNT

Dear PURELY 18,

There's a picture you ran of young Nicole Ray with her finger to her lips to tell us all to keep quiet and I bet millions of men hushed up real nice when they saw that. They didn't want their girlfriends or wives or roommates to hear anyway, because we were all doing the same thing: jerking off to that tight, young body that is so hungry for cock, you can see it.

What beauty! What a body! Such curves for a girl who hasn't even started college yet, and that little tan line, how would you like to look down and see that with your cock going in and out of it, that white-snatched honeycup clasping on to your prick as you pump her as quiet as can be. After all, you don't want her parents or her crazy old aunt to hear and come in interrupting things before you can shoot a load all over the flawless skin. Oh, my!

Murray
St. Paul, MN

Dear Murray,

They say you need to keep an eye on the quiet ones, but what about the ones who are telling ***you*** *to be quiet! Sneaky and sinful and we don't mind tiptoeing around now and again, not when it's to bang a gash like that.*

something to cheer about

Most girls become cheerleaders so they can fuck the football players after the game. That was li'l **Alexis Ford's** motivations alright. "I joined the squad so I could swallow a wad," explains our X-rated muffin as she waits for the star athlete to sully her loins on a school bench. "I've sucked dick in the locker room, took it doggie-style under the bleachers, and grinded a guy in his car seat!" Such a vast array of memorable experiences will serve this slut with a lifetime of memories, regrets, and therapy sessions – and serve you with some filthy wanking fun at her expense!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, ***Purely 18*** *gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of* ***Veronica****, a curious 18-year-old, as she ponders her world of... what else ...****SEX!***

Dear Diary,

I was always really self-conscious of having a big ass growing up. Both guys and girls would make fun of me and pinch me, well it was mostly guys pinching my behind, but not always. Girls grabbed it, too. I felt like an outcast and there was nothing I could do about it. My skinny little body and a butt so curvy that I had to go shopping for jeans in the black neighborhoods. Levi's just weren't going to give me the space I needed.

By the time my senior year rolled around, I had been so self-conscious for so long that I didn't date at all and practically didn't even think about it. I just wanted out of that dumb school and that stupid town so I could go somewhere where maybe my ass wouldn't be the only thing people talked to me about.

Mom and Dad couldn't understand why I couldn't wait until I'd gone to graduation and picked up my diploma before I loaded up my Honda and drove off for the big city, which around here is Summerville. I didn't know anybody at all, didn't know where I was going to live, just knew I had to get somewhere and that seemed like somewhere to me.

Folks were real nice as soon as I showed up. I caught a couple guys looking at my ass, but they didn't seem mean about it. Plus they seemed to be looking at more of me than just my ass. As I sat in a diner eating my first meal, I caught a look at myself in the mirror and realized I had grown up more than I'd realized. The rest of my body seemed to have caught up and while all the dumb kids I knew from when I was little were still hung up on one thing, they seemed to miss out on the rest of my development. I guess I did, too.

I hadn't finished my soup before I realized my waiter seemed to be really friendly. In fact, I don't think I'd ever had such good service before. Soon I was telling him my life story and before he could ask me if I wanted dessert, we already had plans for the evening.

He didn't need to take me to dinner—I'd already eaten, obviously, so he showed me around town a bit. It wasn't long before our lips were crashing together in a dark corner downtown not far from a strip of popular bars and restaurants. We'd had a couple drinks, but the buzz I felt wasn't from alcohol, it was from our tongues exploring each other's mouth, his hands caressing my body, feeling my ass in a way it had never been felt before, and soon his hand was up my shirt and another person's hands were feeling my breasts for the first time ever. And I loved it.

I hardly noticed when he guided my hand down to his crotch, and it felt so natural to be rubbing his big cock through his jeans. "Do you think it would be alright if I crashed at your place tonight?" I whispered in his ear. He took me by the hand and in minutes we were in his living

room, both naked, and he was sucking on my pussy while I gave the first blowjob of my whole life. It was like I had a hunger in me that had been building for years but I never knew it. I couldn't get enough.

Finally he started fingering me and said, "You have like the tightest pussy ever!" It was then that I had to confess to him. I was a virgin. I'd never even stuck one of my own fingers in there before. He was the first.

"Maybe we should wait," he offered. "Your first time should be special, it's something you'll never forget."

"I will not wait!" I protested, then realized he couldn't have understood me—my mouth was stuffed with his dick! I pulled my mouth away urgently and insisted we go on. I was too horny, my pussy was so wet, my mind and body were ready for sex!

"I have an idea, if you're open to it," he said. I was. "There is a way we can preserve your virginity and still have sex tonight.

"A lot of girls stay virgins until they're married by having sex in, well, a different way."

"A different way? What's that?"

"Anal sex."

Anal sex. He was right. I'd heard that lots of girls did this in school and maybe he was right, we should save my virginity until we knew each other a little better. Maybe on Thursday or Friday. A cock in my ass. It sounded almost as dirty as I felt horny. I agreed.

"But you'll have to lead," I told him. "I don't even know how to take a cock in my vagina!"

He went to his room and came back with a small bottle of lube. I put my knees up on the couch and pushed my ass back toward him. He licked my hole, a sensation I never

imagined in my whole life and then he dripped some lube, both on my butthole and on his cock. I looked back at him and he was stroking his cock, making sure it was good and slick, and then he started. I wasn't as scared as I should have been, looking back at that. I mean, that hole had only been an exit and doing it in the pooper had never even crossed my mind. But my innocence and intense horniness paid off and in only a minute he was inside my ass. Nothing, I swear to you, nothing in my whole life ever felt so good as that.

His stroke was slow and smooth and just as he was getting all the way in, he reached between my legs and touched my pussy, playing with my clit. I'd had a taste of that before, like when I rode horses and stuff, but never so specific and it was about a second and it was like my whole body exploded. It was my first orgasm, I just didn't know it at the time. After I stopped screaming and moaning and could breathe again I laughed and laughed and he continued to screw me. "Omigod, you are so amazing!" I laughed. "I think I love you!"

He leaned forward, not losing his stroke, and said, "I think you love *something*. I think you love *sex*! You're ruined forever!"

He turned me over and I wrapped my legs around his butt as he continued to fuck my ass. I stared at him, I stared at his cock going in and out of my ass, the whole thing was so surreal and amazing. "Cup my balls," he said to me. I didn't know what to do, so again he took my hand and put them around his balls. I began exploring, feeling his wet cock as it slid in and out of my hole, juggling his balls with my fingers, and he told me that pretty soon he was going to cum and asked me where I'd like him to do it.

"I don't know," I said. "I don't know what's normal! Is there any way I can watch it? Can I watch the cum come out of your cock?" He nodded.

He kept fucking me and I kept feeling him, both inside my ass and his cock and balls and ass and chest and then he said, "Okay, stay still and watch this." He stroked a couple times, sinking deeply into my ass, then pulled out and put his cock vertically along my face (and it was about as long!) and he stroked my cock. "Watch," he told me again, "I can't do this over again!" I didn't even blink and then it went off, like a fountain of white goo, soaring a few inches into the air, then falling again, landing on his hand, his cock and some on my face. One bit dripped down to my lip and without thinking I stuck my tongue out and cleaned it off. The taste was incredible!

Instantly I was lapping the cum off his cock, his hand, I wanted every single drop, it was like candy and I'd never had sugar in my mouth before. I wished he could keep cumming all night long, but of course there was only so much.

That was four months ago and I still haven't left. We waited about a week before we finally shared in the release of my pussy's virginity, but the truth is, he's taken every bit of virginity I had. My mouth, my ass, my pussy, and everything in between. I'm sure glad I got out of that stupid town I grew up in, otherwise I may never have realized that I really had grown up. Back there I'd just be a big ass to them forever. And now I'm so much more and they'll never know the joys that big ass could have had for them.

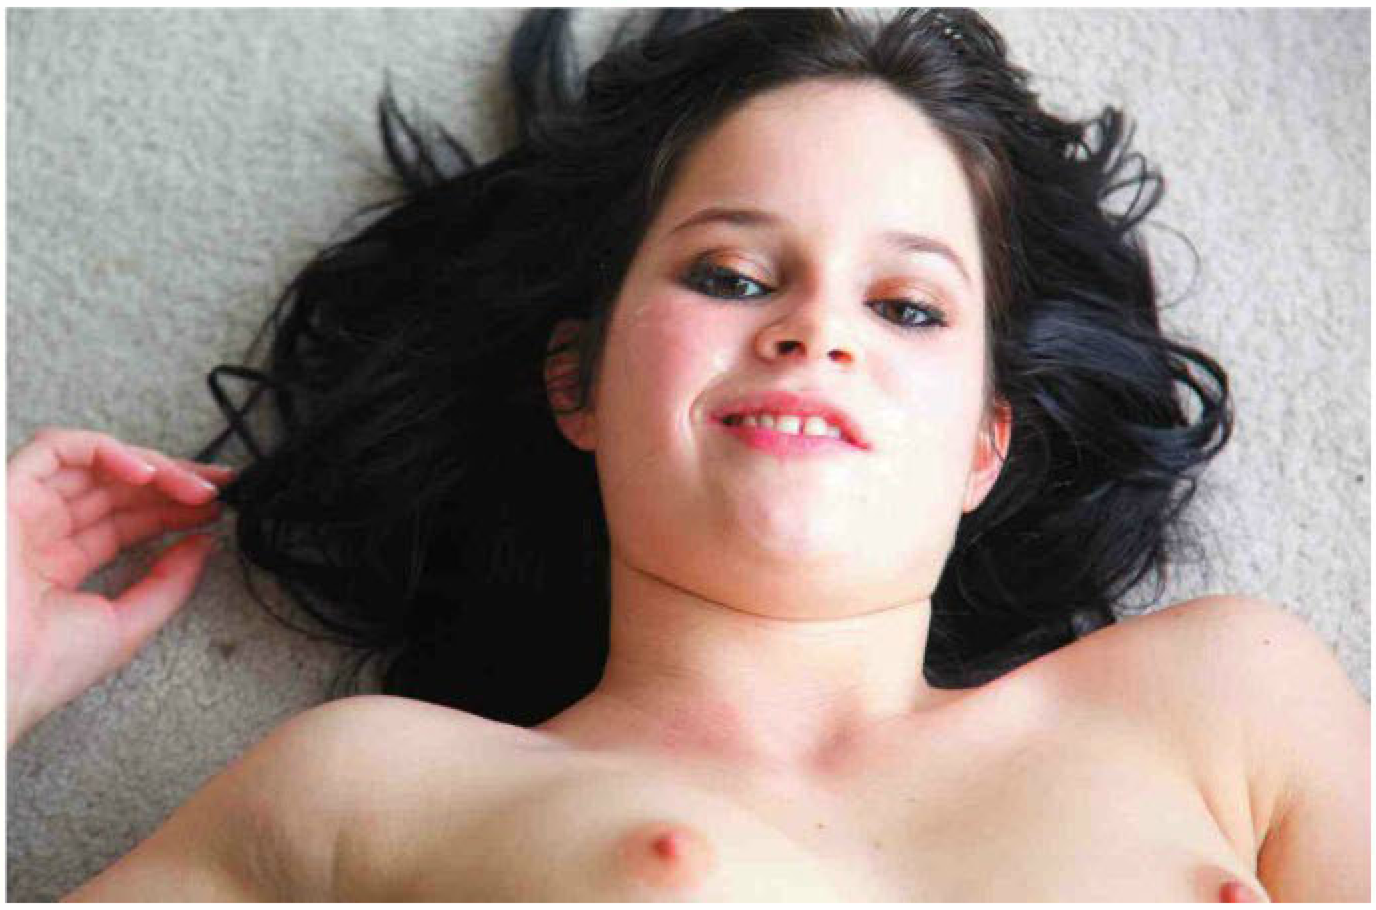
Everyone says they like amateur porn for the same reasons: the fresh talent; the natural, voyeuristic feeling; the single, wide-angle camera work; the unscripted, free-flow action; and the intense, natural chemistry. Sounds great, except when you get a poorly lit, piece-of-shit movie with no-talent actresses and a shaky camera that ends up giving you nothing more than vertigo and limp-dick! But what if you could get the best of both worlds – a well-lit, top-talent skin-flick that came across with the same freshness, chemistry, and grit of an amateur effort ? Director Eddie Powell has done just that, striking a delightfully delicate balance in *Pretty Dirty*, creating a production house-quality, couples-copulation cut without the cheeziness and over-scripting. The sex is hardcore, organic, and passionate, the chemistry is intense, and you feel like you're in the room watching the action unfold in front of your eyes. Sound too good to be true? You be the judge and join us as we go behind the scenes of this freshly filmed fuck-o-thon!

For the most incredible hardcore action, visit **NewSensations.com**

ASHLEY STONE READY OR NOT HERE I CUM!

Ashley is just getting all gussied up for "work" when Bruce and his boner drop by. In the mood for something rude, Mr. Venture starts in on the foreplay before getting down and dirty in her moist slot! Just when things start getting too hot to handle, the screwing duo hop in the shower and continue fucking under the water jets, cumming and cleaning all at the same time – talk about efficient!

new sensations



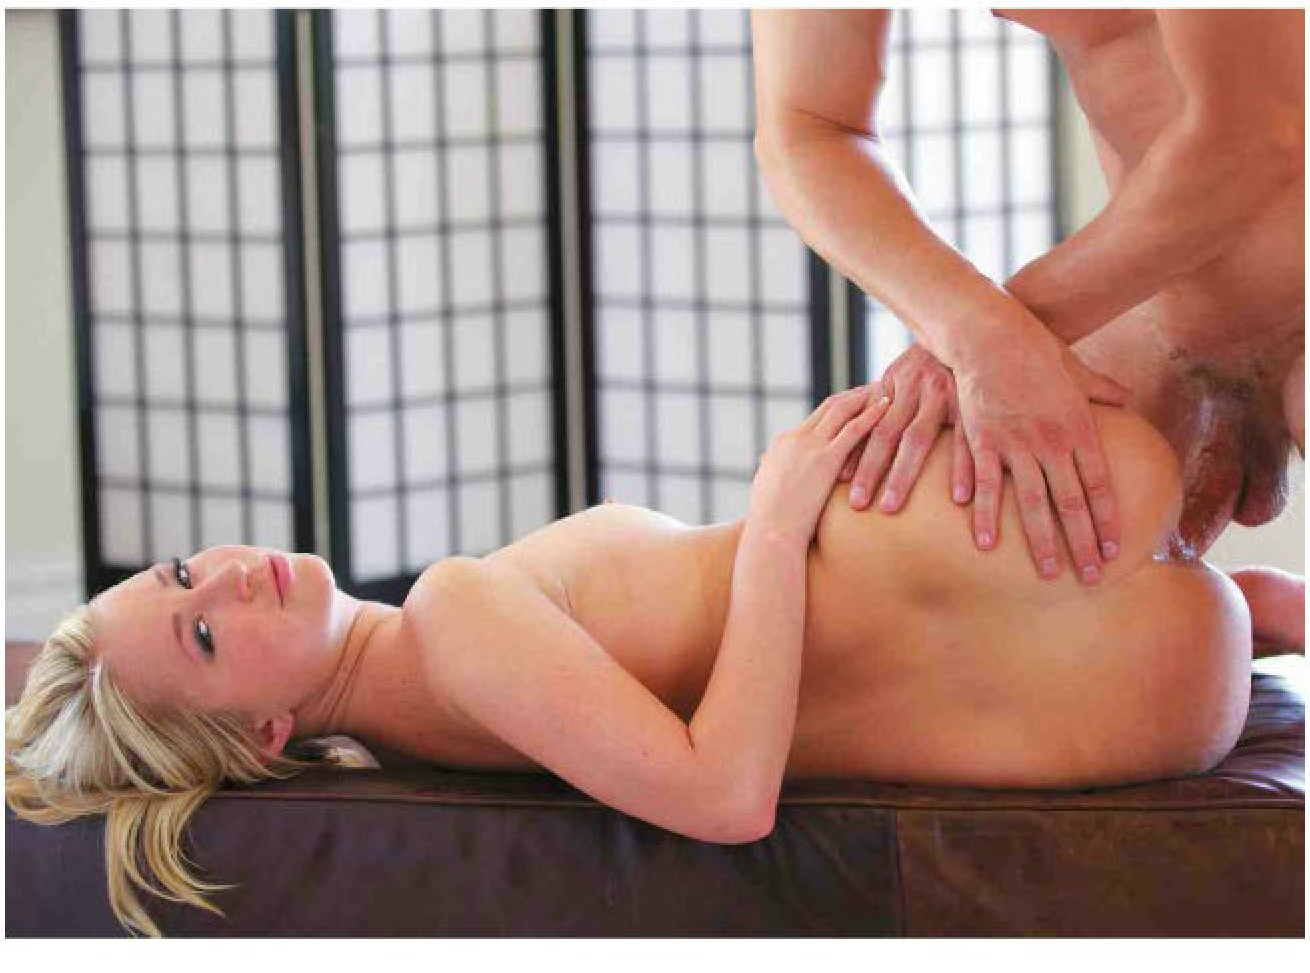
JENNA J. ROSS LICKITY SLIT

Up-and-cummer **Jenna J. Ross** is lying around naked on her bed – how convenient for Mr. Pete, who walks in and immediately starts licking Jenna's young cunny like a cat lapping up a bowl of milk. And speaking of lapping up milk, Jenna reciprocates the oral-loving by deep-throating Pete's pipe. But before he busts a nut in her hungry mouth, Mr. Pete starts slow-fucking Jenna and whispering sweet nothings into her ear – how romantic! Then just before things get too corny, Pete pulls out and jizzes into her mouth anyway – now that's keepin' it real!

new sensations

MANDY ARMANI RUB AND TUG

This sizzling, sultry sex-pot named **Mandy Armani** enjoys a nice massage from Mark. Mark continues the theme of loosening up her muscles by planting his pecker in her vacuum-sealed vag, sensually slow-fucking this young piece of meat and enjoying every minute of it like he was sipping a fine Scotch. The chemistry and realism couldn't have been more powerful – and neither could Mark's wood as it slides in and out of Mandy's moist holes with the greatest of ease!



new sensations

new sensations

MAE OLSEN WAKE-UP CALL

Mae wakes up before Mark, lubricates her cotton mouth with a sip of water, and immediately starts sucking Mark's manhood. Getting good head makes Mark wake up on the *right* side of the bed, and he reciprocates responsibly by nibbling her nubile nookie before burying his boner in Mae's muff. Mark didn't even have a cup of coffee yet, but manages to pump Mae fast and furious, stopping occasionally to finger-bang her hole and pant. This makes Mae squirt and moan with intensity, and makes Mark anxious to hop back on top and fuck her some more! After a few rounds, the dynamic duo is dying for breakfast!

Not too Shabby

Giving up her asshole to a stranger in a hot-tub might seem extreme to some, but it's just another day in the life of **Abby**. This reckless young girl isn't known for making rational or responsible decisions, but what do you expect from an 18-year-old with a body so tight and a morality so low? Sucking, fucking, and getting her anus stuffed with cock while filling the voids and insecurities in her personality, and Oliver even fills her mouth with his man-chowder to put the finishing touches on a shameless tryst!

Teen
Dream

Zoey

Wash 'n Wax

It's hard work at a charity car wash in Hawaii! Poor **Zoey Foxx** has to bend over cars and get her bra and short-shorts all wet. The only logical thing to then do is to take them off and wash her car in the buff! After a good scrubbing, Zoey rubs her nub and diddles herself on the hood. Using her pussy-juice as a waxy seal, she creates a fine shine and a hot orgasm all at the same time. This ingenuity and multi-tasking is what makes this sweet babe our **Teen Dream** of the month!

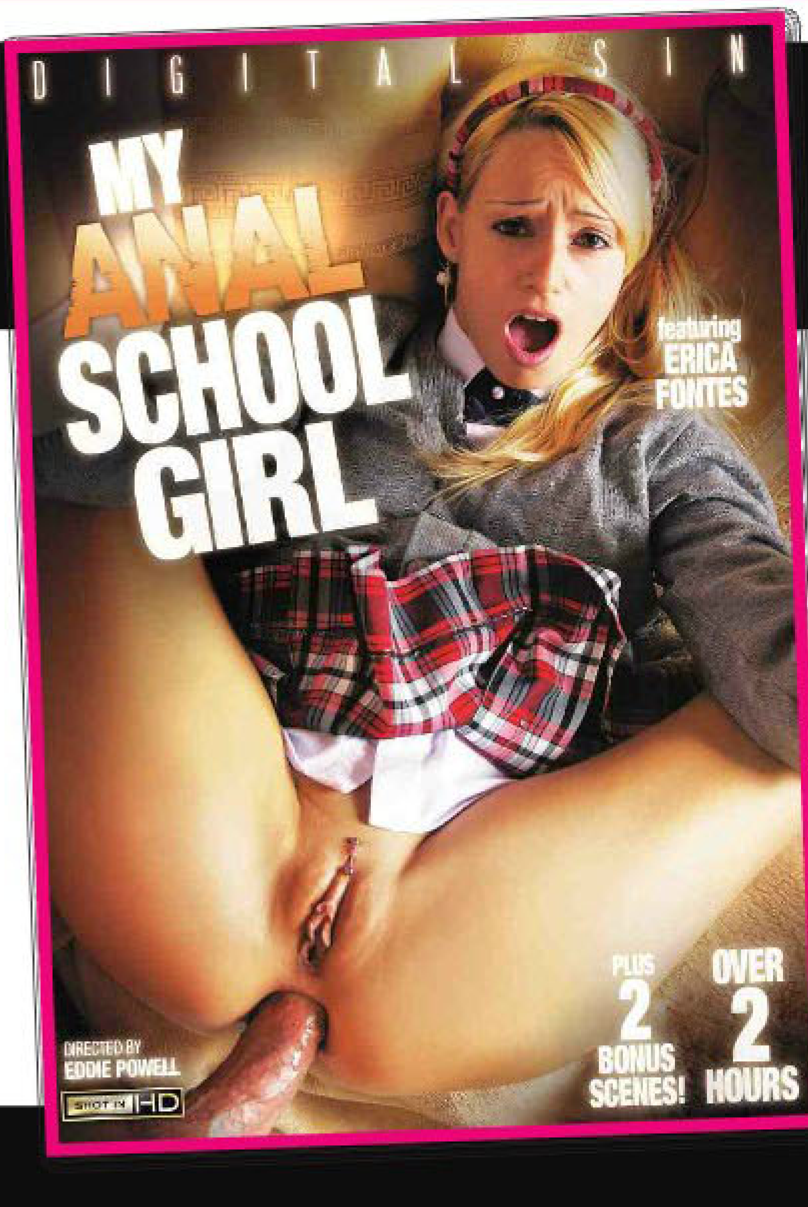
Story By Acme Andersson

ERICA FONTES

REMY LA CROIX

SIERRA SANDERS

TINSLEE REAGAN



STARRING: Sierra Sanders, Tinslee Reagan, Remy La Croix and Erica Fontes with Mark Ashley and Michael Vegas **DIRECTOR:** Paul Woodcrest **STUDIO:** Digital Sin

We see girls take it up the ass all the time, it's one of the things that makes this land so great, but it's not always that we see them shot so exquisitely as Paul Woodcrest manages with *My Anal Schoolgirl*. The sex looks as hot as the act, framed and lighted carefully, as if to make every experience for every one of these girls special, like a senior portrait or prom photo. Something she'll have to cherish forever. Certainly they all got something they will never forget.

This is a set of four lovely ladies—Sierra Sanders, Tinslee Reagan, Remy La Croix, and Erica Fontes—distinct in beauty and personality, but similar in their goals to get their asses fucked hard. They get it, too, and will be headed off to college with a know-how lots of their classmates won't have. They will be leaders, better for the experiences, their lives no doubt benefiting forever from these very experiences.

It may not seem like a ritual that is all that important or original, but that's because we're mostly older and probably a little more jaded. For these girls, this is a turning point, and a super-sexy one that we, by the grace of technology and their openness, are able to share with them.

ERICA FONTES

ERICA FONTES

INSTRUCTOR: MARK ASHLEY

On the couch and still in her school clothes, she looks almost innocent, but with eyes like those, her sexuality would fill the room. Slowly undressing on the couch, her perfectly sculpted teen figure is exposed for the open-eyed dream that it is: perfect tits, full, round booty; and limber enough to bend over, spread those cheeks apart, and take Mark's big cock into her ass.

The lines on her forehead concede that she is unaccustomed to a cock the size of this, but that is not to say she is unwilling—she realizes that her short history of getting her ass reamed is going to a new level, it's a graduation of sorts for the 18-year-old beauty.

Her pussy is bald and pierced, and the little leg-spreader pulls 'em back and apart, and her beautiful slit is overwhelmed as it is engorged with his prick, Erica grabbing on to her white stockings and pulling her legs back as she howls, accepting his force and the way she has more flesh in her backside than she ever imagined possible. The rim of her ass clutches to his tool every time he pulls out, then disappears back inside her bum as he thrusts inside. When finally he is ready to release his load, all she can say is, "In my mouth, please, in my mouth!" She gets on her knees and jerks him until the white stuff flows, filling her yapper as we see when she opens wide to show the reward before sending it down the hatch. It was a lot of work to get that dessert, and worth every moment.

REMY LACROIX

INSTRUCTOR: MICHAEL VEGAS

Remy is one of the hottest new girls on the scene and has this wholesome earnestness or maybe it's an earnest wholesomeness, it's this special purity about what she's doing, as though she is 100 percent present and aware and knowing about what is happening. An old soul of sexuality, one who knows more than she lets on and will allow you to do all, and even when you're banging away on her tight ass, she is still in charge, more knowledgeable, and infinitely more sexual than you. That is intended in the best possible way.

There is an eternal knowing in her eyes as she looks at his cock in the moment before she pleasures him with her mouth. After allowing Michael an investigation, Remy tosses a leg over the railing and sets up for another kind of railing. Michael goes in puss-first, getting her wetness on his stick and enjoying the V-hole before he moves on to the A-rated entrance.

They find a seat and she shows her eagerness by getting on top and placing his cock in the backdoor, sliding and riding and grinding, and in a moment he looks up to see if she's okay and the blissful, faraway look on her face confirms that everything he wants to do to her is just fine.

She sits back on the chair, her back along the seat and lets him have his way with her ass, her small tits popping out of her shirt and the look on her face thankful for the romping he is giving her. All that's left is his cum, and she lets it shoot on her face and tits, glistening her perfect skin and still shining as she assures him they can do it all again.

SIERRA SANDERS

INSTRUCTOR: MARK ASHLEY

Sitting in her school outfit next to the window waiting for her friend to arrive, Sierra is a postcard of innocence nearing Rockwell status. Her smile is sweet, her face young and without the hardness that life will surely one day bring. Today you can almost smell her freshness, and that sweet scent becomes more clear as she surprises us by opening her shirt to show a perfect, young rack and then lowers her panties to reveal and feel a pussy so wet and anxious. The girl has obviously done her homework and we're not talking about reading Jane Austen for English class.

Her friend comes over and he's not a classmate. He's an older boy that she met somewhere else, online maybe, or at the mall, she won't say. They don't talk much, but neither one is there for talking. Sierra wants to learn, to go beyond school and her limited academics and get more of a real education, maybe some *ass*ademics. The size of his cock does give her pause, but she is a girl of determination and even if she can't get the whole thing into her mouth, she's willing to try her other spaces.

Mark puts it in her pussy, a smooth and puffy masterpiece that pulses as his cock works its way inside, somehow, magically, disappearing into the warm pink of this girl on the verge of graduation. She asks him for more, "Please put your huge cock in my tight ass," she tells him, "I can't go off to college and not know what it's like. I just know they'll make fun of me." So Mark, a gentleman, does this young bird the favor of putting his massive cock in her eager ass and it's obviously a bit tougher getting in than she thought, but she finally gets the moment and breathing right and her ass lets him in and soon she's howling with a joy she's never before imagined, her ass stuffed with prick as she holds her young tits and soon she cums, an orgasm different from the others she's experienced and then she's suddenly hungry for his cum, begging him for his finish. It's quite a load—she ends up with jizz on her face, tongue, dripping down her tits and, best of all, a big smile on that sweet face.

TINSLEE REAGAN

INSTRUCTOR: MARK ASHLEY

Unlike the other girls in *My Anal Schoolgirl*, Tinslee's forte is not looking like an innocent. You can spot her friskiness from three and a half blocks away, and Mark, with his experienced sexy-girl vision, can probably add a couple miles to that. Outside by a tree she immediately goes all-natural, opening up her white shirt, taking off her school skirt and the girl just can't get enough of herself. She needs help. Enter Mark.

She wants him hard and in her ass and doesn't want any fooling around. Mark is ready to go in no time, his cock long and hard and plopped in her mouth, and then her ass is filled before she can say whatever she might say. Words don't do her justice, but cock in her ass turns her into Lady Liberty and the dirty smile on her face says it all.

Taking her place straddling Mark, we see her pierced clit and pin-striped pussy and his cock going, going, gone into her backdoor where so many have gone before. What she really likes is him being in control, so after a ride she lets him do her from behind and all that ball-smacking against her piercing gets his goo going and he whips it out and shoots it all over her great ass. Nothing could be more natural.

MELLIE

REBEL WITHOUT A COCK

Some young girls get off on being bad. That's **Mellie** alright – when she was supposed to visit her grandmother at the nursing home, Mellie went to a tattoo shop instead to get inked. And that job, her uncle stuck his neck out to get her?! Forget it, she never showed – she came to our "modeling audition"instead. When you're a rebellious 18-year-old slut, responsibility sucks, but defying authority and taking your clothes off is really *fucking* liberating!

Riley & Georgia

Pool Laps

Itty-bitty titties and well-tanned twats! A perfect pussy-licking pairing by the pool as these mosquito-bite delights taste each other inside and out. Doing laps never felt so good as bi-curious blonde **Riley Ray** licks **Georgia Jones'** peach-fuzz. After tasting her friend's musky undercarriage, Riley rams a rod into Georgia's 'gina, watching her friend purr like a kitten and squirm in delight as her tight little pussy dribbles girl-juice down the sides of her thighs…

April

LICK OF THE IRISH

It's not only **April O'Neil's** big brown Irish eyes that are smiling – she's also the proud owner of a vertical smile that'll drive you wild! This curvy young cutie has big tits and an ass that won't quit to round out her pretty young package, creating a mature body that looks well beyond her tender, sweet age. Who needs a pot of gold under a rainbow when you can stick your cock in this hot little porn shamrock?
